PREMIUM QUALITY SELF-INKING STAMPS

IDEAL Self-Inking Stamps

The Ideal self-inking stamps work and feel as great as they look. Their numerous patented features make them a pleasure to use. Just one impression and you will appreciate the ergonomic shape and heavy duty construction.

The IDEAL self-inking stamps feature precision components for a smooth, quiet action and many years of trouble free operation.

A full size visible label lets you choose the correct stamp every time. Make thousands of impressions without re-inking! Ideal self-inking stamps are an excellent choice for your high volume stamping needs. They have been mechanically tested to over one million impression cycles.

No other stamp looks like it! No other stamp works like it!

Patented Re-Inking System

Accurate re-inking is a snap with the Ideal re-inking system. No messy hands or blotchy impressions. Just add ink into the ports on top of the ink cartridge. The ink flows through our patented re-inking system and evenly distributes itself throughout the ink pad. In just minutes, the stamp is working like new.

Patented Replacement Ink Cartridges

Replacement cartridges are available in various ink colors.

IDEAL Premium Quality Stamp Ink

Ideal stamp ink is formulated for clean, crisp, fast-drying impressions without bleeding or fading on most paper stocks. A selection of ink colors is available in 6cc, 2 oz, quart and gallon bottles.
